

A large crowd of people at a concert or festival, with a person being held up in the center. The image is overlaid with a green tint.

The University Experience

Prologue

Question

What are you most
excited/scared about for
university?

No Wrong Path

Jeffrey Leung

Computing Science Major

Entrepreneurship & Innovation Certificate

Simon Fraser University

Other Experiences

Technical Project Coordinator Co-op at SAP

Back-End Software Developer at Samsung

Founder, Co-President, Technical Projects Director at SFU Surge

President at SFU Peak Frequency

Faculty of Applied Sciences Representative at the SFU Student Society

Find Your Major (s)

(+Minor)

(+Concentration)
(+Double Concentration)

- Areas you might not hate
- Areas you're "okay" at
- Soft skills
- Side interests
- Ask around

Why Co-op/Internships?

- Try Before You Buy
- How to apply:
 - Your university's co-op program
 - Company websites
 - LinkedIn Jobs
 - Networking/friends

The 4-Year Myth

Let's Get Philosophical:
Why do we go to university?

Don't forget to experience it all...

If you forget everything else:

- Find your passion
- Fear not

Jeffrey Leung

Student at Simon Fraser University

Technical Project Coordinator (Co-op) at SAP
